

Mud Hog®

Refractory/Dry Cast Mixers

RMH 29

- Capacity: 2000 lbs. refractory
- 40 HP 3-phase electric motor.
- 60 gallon hydraulic reservoir.
- Hydraulic drive and dump.
- Adjustable height.
- High dump; can be set up to dump into pump.
- Great for bulk bags.
- Patented rubber blades provide longer wear.
- Portability; fork pockets accessible on all sides.

RMH 20

- Capacity: 1000 lbs. refractory
- 20 HP 3-phase electric motor.
- Adjustable height.
- 30 gallon hydraulic reservoir.
- 6 mixing blades to decrease batch time.
- Hydraulic drive and dump.
- Gas engine available.

All mixers come standard with variable speed control for paddles and hardened steel wear liners for drums!

RMH 12

- Capacity: 500 lbs. refractory
- Loads below waist and dumps high.
- 10 HP single or 3-phase electric or 13 HP Honda motor.
- Mix up to 3/4" aggregate.
- Hydraulic drive and dump.
- Optional wheel kit available.
- Steel paddle blades are available.

Vertical paddle design cuts through material for a homogeneous mix.

Variable speed controls allow users to change paddle speed on separate mix designs.

Bearing design keeps the seals 1 1/2" from bearings. In the event of a seal leakage, the bearings are not damaged.

Custom modifications are available. We welcome any suggestions to help your operation.
