## Who We Are

For close to 20 years, we have honed our precision metal fabrication services. With roots in the contracting industry, CEO Damian Lang started the EZ Grout equipment line to improve the efficiency on his own masonry job sites. Since then, EZG Manufacturing has expanded to include precast, refractory, cleaning, and fencing equipment along with it's award winning EZ Grout equipment line. We also have our custom fabrication and design shop to meet all of your unique needs.
