

# Stretch-n-Go Hog®

## Efficient Wire Fence Installation with the Stretch-n-Go

The Stretch-n-Go Hog simultaneously stretches and installs wire fencing without the time and labor-intensive work. Capable of stretching up to 1/4 mile, or the equivalent of two 660 ft. rolls or four 330 ft. rolls of woven wire without reloading.

### Features:

- Stretches up to 1/4 mile (two 660' rolls or four 330' rolls) without reloading.
- Operates via skid-steer, keeping the wire upright and taut against posts.
- Coated tension rolls protect wire during stretching.
- Adjustable brake system provides customizable tension options.
- Requires only two operators for installation.
- Built-in pockets for easy forklift access.

Stretch up to 1/4 mile of woven wire fence without reloading.

Coated tension rolls protect wire during stretching.

Concurrently dispense and tension up to six strands of barbed wire with optional SNGBARB attachment.

MODEL	SNG4	SNG6
