

Fencer's Cement Hog®

Versatile and Efficient Material Delivery

The EZG Fencer's Cement Hog® is a compact, easy-to-operate mobile cement dispenser, designed to enhance efficiency and productivity for fence contractors. Available in two capacities, this versatile system mounts to a skid-steer for convenient material delivery.

Features:

- Easily mounts to a skid steer loader from either side (with designated attachment plate).
- Available in 1/2 and 1 cubic yard capacities.
- Hooks to auxiliary hydraulics on your loader delivering up to 1" (25 mm) aggregate.
- Unloads one-half cubic yard in 2 minutes.
- Delivers wet or dry materials, including dry sand.

[VIDEO]

Designed to dispensing wet or dray materials with precision for resulting in less waste.

Efficiently transport material to hard to reach or confined areas.

7.5-inch diameter flighted auger pushes material forward with ease.

f in @ Love it? We want to hear from you.

Snap a photo or capture a video of your team using the Fencer's Cement Hog and post it. Remember to tag us @EZG and use #fencesmarter, in your post.

... Thank you for your commitment to the EZG.
