

# Mortar Hog®

Less time, less waste, less mess.

Introducing the newest addition to our Hog Line, the Mortar Hog. Designed and manufactured to the same industry-leading standard for quality and performance on the job that our entire masonry product line represents.

- Sturdy ergonomic design for easy handling and workability
- Beveled edge helps contain mortar reducing waste and site clean up
- Non-porous surface eliminates water absorption, preserving mortar consistency
- Resistant to breakage or splitting caused by prolonged exposure water, sun and extreme cold
