Curt Henderson, Market & Johnson

"The Hog Pump is the simplest and most user friendly pump we have found for grouting walls. From set-up to clean-up it has been reliable and easy to use."

Who We Are

For close to 20 years, we have honed our precision metal fabrication services. With roots in the contracting industry, CEO Damian Lang started the EZ Grout equipment line to improve the efficiency on his own masonry job sites. Since then, EZG Manufacturing has expanded to include precast, refractory, cleaning, concrete and fencing equipment along with it's award winning EZ Grout equipment line. We also have our custom fabrication and design shop to meet all of your unique needs.
